"Steering the Course for the Future"

Seeking Excelsior Springs Leaders

This year the Excelsior Springs Educational Foundation will induct into its Hall of Leaders deserving individuals who have excelled in their field of expertise and made significant contributions to their communities.

The Foundation is asking the community's assistance to identify individuals with outstanding achievements in the areas of service and dedication to education, youth and community.

"The Hall of Leaders display will become a place where these special individuals can be celebrated now and long into the future," explains Molly McGovern, president of the Educational Foundation. "It gives our kids a face to connect with so they understand that it's not only important to be strong in their professional field, but it's also important to give back to the community in which they live."

The Foundation is accepting nominations in the following categories:

- Distinguished Alumni – Persons who attended the Excelsior Springs 40 School District and have become successful in their chosen field.
- Outstanding Education Professionals – Teachers and administrators who have served the Excelsior Springs 40 School District for at least five years, have been retired for at least five years and were outstanding educational leaders in the District.
- Friends of the District – Persons whose efforts have made a significant contribution to the Excelsior Springs 40 School District; must demonstrate leadership, character and uncommon dedication to the District. This category is not limited to alumni.

This year's honorees will be celebrated at the 2nd annual gala on Saturday March 12th, 2016 to be held at The Elms.

Nominees do not have to reside in the Excelsior Springs 40 School District and may be honored posthumously. A maximum of three awards are given out in one year. No more than two awards will be given out in any category per year.

For more information call 816-630-9200 or visit <http://esfoundation.weebly.com/>. Applications must be received by the Excelsior Springs School District administration office by January 31st, 2016.
